

Support your local library: if you will be visiting a public library on a regular basis we encourage you to get your library card from the public library rather than through PBM—headquarters.
Find a Marigold member library near you at <http://www.marigold.ab.ca/about/libraries.html>

Take your registration form to the nearest member library to get your TRAC/TAL card or use the form to register for a TRAC/TAL card through Paperbacks by Mail (PBM)—headquarters if you live far from a library

**PAPERBACKS
BY MAIL**

PBM service is generally used by people who are unable to use a public library or who live far from a public library. If you get your library card from PBM—headquarters you intend to use PBM service most of the time.

Paperbacks by mail offers you:

- ✓ 3 catalogues a year – choose any book(s) you want
- ✓ free return labels – this means no mailing costs for the customer
- ✓ the opportunity to request materials not in the PBM catalogue

Registration information for residents — by phone, fax or mail:

If you live in a municipality that participates in Marigold call 1-800-332-1077 to register for PBM service or print the application form on the next page and mail or fax it to headquarters. Each family member should have their own card. A library card from PBM—headquarters is valid for 2 years.

Headquarters: Marigold Library System
710 – 2nd Street
Strathmore, AB T1P 1K4

Call **1-800-332-1077** if you require assistance.
email: pbm@marigold.ab.ca

FAX: 403-934-5331

Note: Marigold partners with Shortgrass, Northern Lights, Chinook Arch and Peace Library System for PBM service. If you live in these areas contact your System headquarters for information about registering for PBM.

With a library card the world is at your fingertips

Once your application is received your library card(s) will be mailed to you along with a catalogue and a blue request card.

Your library card also gives you access to enhanced resources and services!

- ✓ at www.marigold.ab.ca Find credible information using Marigold's e-resources — search from home, or anywhere else with internet.
- ✓ at www.marigold.ab.ca Place a hold or renew borrowed material in TRACpac—our online catalogue, using your library barcode number and PIN. Click search the catalogue—you have access to nearly 3 million items.
- ✓ use your card in over 270 libraries across Alberta (This includes most college and special libraries)

Registration information for non-residents — registration must be mailed:

If you live in a municipality that does not participate in Marigold Library System your PBM registration fee is \$70 per year. A cheque must accompany your registration form. You can use your library card in a member library during open hours—you are not eligible for remote access to e-resources or enhanced library services such as placing a hold or renewing a borrowed item in TRACpac. Call 1-800-332-1077 if you require more information.
